We offer a full, accredited program that is based on the Montessori philosophy. We offer the opportunity to learn and play in a stimulating and safe environment. Children also have opportunities to socialize and experience a variety of learning centers. Our philosophy is that children should be accepted for their unique personality and have the opportunity to follow their individual interests. They learn through interaction with their environment. We believe that children will be successful and happy if they are given the chance to explore and play to their fullest potential.Q:
